Main Edits:

00:00-00:15 Replace with used the second take

00:15:00:40 Replace used the take 3 and take 2

00:40-00:60 Cut-out backgrounds sound

01:00-01.10 Used the first take part.

01:10-01:34

Made the fade away and keep the last recording ending.

Further Edits:

Added background music throughout the recording, fading in and out at the beginning and ending, making the music less loud when the interview is happening and louder when starting and ending.
